THE PINES SENIOR PUBLIC SCHOOL

Welcome to The Pines.

The Pines is a fabulously engaging school with a long history of success. Students that take advantage of the many offerings of clubs and sports get the most out of their education. Grade 7 and 8 is a time to make new friends and try new things in a safe and inclusive environment. Students are always encouraged to become a part of all experiences offered at The Pines.

This booklet is meant to give a framework to the expectations here at The Pines and assist in making sure the school day runs smoothly. The Pines is an exciting and dynamic place and therefore it is important we all keep on the same page.

Feel free to contact the school at any time with questions or comments. Contact information is listed on the cover of this booklet.

The Pines Senior Public School was built in 1975 as a senior public school to complement the neighbouring Clarke High School. Serving grade 7 and 8 students, our highly professional staff is comprised of committed teachers with experience and specialized qualifications in the intermediate division. Students participate in a rotary system where core subjects such as language and math are delivered by their homeroom teacher. Some rotary subjects include, French, Music, Art, Science and Physical Education. These subjects are offered by subject specialists to capitalize on the range of expertise our staff brings to The Pines. We also offer additional support to our students through the services of a Child and Youth Worker. Our homeroom teachers also serve as advisors to their homeroom group, helping each individual achieve their full potential and enjoy school life at The Pines.

The Pines boasts an impressive number of co-curricular activities to engage students in their recreation time and to hone skills and talents. These include sports teams and ongoing opportunities to participate in clubs such as drama club, reading club, yearbook and student leadership groups. Students are also very active in fundraising for numerous charitable events, raising funds through spirit days and causes throughout the year.

The school is situated on Hwy. 35/115, north of Newcastle and south of Orono. There are 8 regular classrooms, a library/computer lab, a large gym and stage, a music room, a specialized art room, resource room and science lab.

The schoolyard is divided into several areas by usage; pavement with basketball nets, a very large field.

The Pines students participate in day trips and special events held at The Pines designed to enhance academic learning and build student social skills. Excursions are always linked to curriculum expectations, student safety and/or student well-being. These include trips to outdoor education centres, museums, theatre productions and sporting events.

School News via Text Messages:

In order to receive updates from The Pines via text messaging, we encourage you to opt in by sending the letter "Y" to 978338. You just need to do this once. You will then receive a confirmation text in return. At that point, if your cell number is in our system, you will receive news and reminders in the form of a text message.

General School Organization

The Lair

The Lair is available during second break in the lunch room. It allows students to purchase snacks and drinks to compliment their lunches.

Nutrition Program

It's a proven fact that students need food to concentrate and learn. The nutrition program provides snack and breakfast food for students who haven't had breakfast and/or are still hungry. This program is available at the entrance bell and is located near the bus doors. Students can also access snacks if they have forgotten their lunch during lunch periods in the office.

Dress Code

We appreciate your support to ensure that all clothing the students wear displays no offensive messages, symbols or pictures. Alcohol, drug and tobacco advertisements are deemed inappropriate. Any clothing that is deemed immodest by the administration is unacceptable. Students who are inappropriately dressed will:

- I) be required to cover up, or
- II) be provided with a school t-shirt.

Due to allergies, we request that perfumes, colognes, after shave lotions and other perfumed products not be used.

Electronic Devices

Devices are not required for learning. If students choose to bring devices to school they are fully responsible for them. Lockers are a safe place to keep these devices and will help reduce distraction during class time. Students are permitted to use devices during break time but, once again, are responsible for taking care of them. The Pines and KPRDSB do not take responsibility for any personal electronic devices. Under no circumstances are students permitted to record (i.e. pictures, video, audio) other individuals without prior consent and it is to be assumed that students do not have consent to record unless explicitly given.

Parents and friends, please refrain from communicating with the students via devices during class time. If there is an emergency, please call the school office directly for our assistance.

Lockers

Lockers are property of the Kawartha Pine Ridge District School Board. Students will visit lockers at times clearly defined by their teachers. Students are to provide their own combination locks and share the combinations with their teachers. Valuables should be kept in student lockers especially when participating in physical education and other times when students may not be able to keep an eye on their valuables. School administration has the right to open and search lockers. Locker privileges may be removed from individuals you do not keep their lockers locked.

Website/ Communication

EDSBY is regularly updated with school Information and monthly newsletters, as is our school website. Our staff are always available for phone calls as well. The Pines regularly sends notices home via text messages, please opt in to this service by texting the letter "y" to 978338.

Visitors to our School

Parents and community members are welcome to visit the school. To ensure the safety of everyone in the building, the Board requires **all visitors to begin their visit at the main office.** Our number one goal is to provide a safe and secure learning environment for staff and students, free from as many distractions and interruptions as possible. This will ensure the most effective and productive use of class instructional time.

In this light, we must insist that you **do not go directly** to your child's classroom when visiting the school (dropping off homework, lunches, dropping off or picking up students, etc.). Your visit can be very disruptive to the teacher who may be in the middle of a lesson and to students who may be working. If you need to see your child, please come to the office and they will be called to the office to see you. This is far less disruptive to the class. If after-school plans change during the day and you need to leave a message for your child, please leave your message with the office and we will ensure that the message is

passed along to your child. We will not call a child out of class to take a phone call except in the case of dire emergencies. We also ask that parents **not call or text** students during the school instructional day.

Parent volunteers and classroom visitors are required to sign in at the office and will be provided with a Volunteer Badge. All volunteers are required to provide the principal with an up-to-date police records check completed and submitted prior to commencing their volunteer assignment, including school trips and classroom support. A receipt indicating payment is not acceptable for this purpose.

Attendance Procedures

Our school participates in the SAFE ARRIVAL PROGRAM. It is the responsibility of parents to contact the school if a student will be absent or late for the day. Please call 1-844-434-8119 or go to <https://go.schoolmessenger.ca/#/home> to inform the system that your child will be absent. Students with numerous absences/lates will be referred to the Board's Attendance Counsellor for support.

Students who arrive after the 8:20 bell are considered **late** and are required to report to the office. If a student is significantly late due to an appointment or family circumstance, please send a note explaining the reason for the delay on arrival. A student who needs to leave the school early, should bring a note and sign out at the office.

Student Illness/Accident

When a child becomes ill or is injured during the school day, the child will be attended to and made comfortable by school staff. Every effort will be made to contact parents/guardians (or emergency contacts) to alert them as to their child's condition so that they can take the child home or seek medical services. In the event of serious injury, the school will call an ambulance and then notify the parents.

Medications

Although it is preferable to have medication given to a child by the parent, there are exceptional circumstances when students require the administration of medication during the school day. They must have an Administration Medical form on file at the school. This form is available from the office and requires the signature of the supervising physician. It is required for all forms of medication including inhalers and epipens. If a student has a medical concern or a severe allergy, an **Individual Emergency Response Plan** form may be completed by the parent/guardian in consultation with school

administration. Please contact us if your son or daughter has a potential life threatening medical issues (e.g., diabetes, heart conditions, and anaphylactic) These forms must be updated and completed **annually**.

Lunch Room Expectations

If students need to leave the lunch room for a washroom break they must ask an adult supervisor. While in the lunch room students are expected to stay in their seats, speak in reasonable tones, participate in clean-up and recycling, be co-operative and respectful, always complying fully with adult supervisors in the lunchroom. Food and drinks are to be finished before leaving the lunchroom and not taken outside or back to class. Students will be dismissed by lunchroom supervisors.

Promoting Respect Through Student Clubs/Groups/Activities

In keeping with the Board's Equity, Diversity and Inclusion policy (B-3.2) and administrative regulation (B-3.2.1), all schools within the KPRDSB, including The Pines, welcome and support students who wish to lead or participate in school clubs, groups, or activities that promote safe, accepting, equitable, positive, diverse and inclusive environments. This includes activities that promote anti-racism, gender equity, respect for people living with disabilities, and for people of all sexual orientations, gender identities and expressions (including clubs, groups or activities with the name Gay-Straight Alliance or GSA).

KPR Assessment, Evaluation, and Reporting Guidelines

Assessment is the process of gathering, from a variety of sources, information that accurately reflects how well a student is achieving the curriculum expectations in a subject or course and the learning skills and work habits.

Evaluation is the process of judging the quality of student learning on the basis of established criteria and assigning a value to represent that quality. Evaluation is based on assessments of learning that provide data on student achievement at strategic times throughout the grade/subject/course, often at the end of a period of instruction.

Our teacher practices reflect:

- use of equitable practices and procedures that meet the needs of all students and may not necessarily be the same for all students.
- assessing, evaluating and reporting on the achievement of curriculum expectations and the

demonstration of learning skills/work habits separately

- gathering evidence of student achievement for evaluation collected over time in the form of observations, conversations and student products to inform professional judgement
- determining the final grade on a student's report card using professional judgement and interpretation of evidence that reflects the student's most consistent level of achievement, with special consideration given to more recent evidence. The averaging of marks is not the *sole* determinant of a final grade.

Students must:

- be responsible for their behaviour in the classroom and for providing evidence of their achievement of the overall expectations within the time frame specified by the teacher, and in the form approved by the teacher.

Learning Skills and Work Habits:

Responsibility, Organization, Independent Work, Collaboration, Initiative, Self Regulation

Learning skills and work habits will be intentionally taught, assessed and evaluated separately from the curriculum. They are strong indicators of potential successes and difficulties.

Late & Missed Assignments for Evaluation:

The teacher will clearly indicate the due date for completion of an assignment for evaluation and the success criteria for the assignment. A number of strategies may be used to help prevent and/or address late and missed assignments. Teachers will use a variety of strategies before considering deducting marks or ultimately assigning a mark of zero, including parental contact. A missed assignment for evaluation is one that is not submitted or completed. The teacher will clearly indicate the due date for completion of an assignment.

Before an assignment can be considered missed:

- the student must be given an opportunity to explain the missed assignment.
- students and parents must have been informed of the impending missed assignment and the consequences for missing the assignment.

If marks are deducted on an assignment for evaluation, teachers will ensure that mark deductions will not result in a final percentage grade that misrepresents the measurement of a student's attainment of the overall learning goals.

Homework:

Homework is work that students do at home to practice learned skills, consolidate knowledge and skills, and/or prepare for the next class. Assignments for evaluation must not include homework.

Information collected through homework completion will be used as data to inform instruction.

Cheating and Plagiarism:

Academic honesty is a cornerstone of student learning. Cheating and plagiarism are academic dishonesty; both are forms of lying and they are serious academic offenses.

Cheating is dishonest behaviour or attempted dishonest behaviour during tests, examinations or in the creation of assignments for evaluation.

Plagiarism is using words, numbers, graphics, photos, music, ideas or any work of another as one's own without proper referencing.

Students must always acknowledge others' work (writing, ideas, graphics, data, music, etc.) by citing sources, even those from the internet, correctly. If a principal determines that a student has cheated or plagiarized, there will be a continuum of behavioural and academic responses and consequences based on the grade level of the student, the maturity of the student, the number and frequency of incidents and the individual circumstances of the student. Remediation and/or consequences for students found to be plagiarizing or cheating may include: re-doing the assignment, completing an alternate assignment, informing parents, demonstrating their understanding of plagiarism or cheating, and/or loss of marks on the original assignment for evaluation.

Code I in Grades 1-8:

"I" is a code used in Grades 1-8 by teachers when, in their professional judgement, there is insufficient evidence of student achievement on overall expectations to determine a final grade. This may happen, for example, if a student recently moved schools or had an extended illness. Students who receive "I" on the final report card will not receive a mark for that subject area.

Code R in Grades 1-8:

A "R" represents achievement that falls below level 1 and is used in the evaluation and reporting of student achievement in Grades 1 to 8. This signals that additional learning is required before the student begins to achieve success in meeting the subject/grade or course expectations.

Communicating and Reporting Achievement:

Teachers will communicate regularly with students and parents/guardians to ensure they are informed of student progress. This ongoing dialogue between teachers, students and parents about student achievement will be both informal and formal (e.g., assignments sent home, phone calls, notes, emails, report cards and interviews). School Progress Reports are sent home in November and Term I Report Cards will go home in February, while Term II Report Cards will go home in late June.

For more information about Kawartha Pine Ridge District School Board's policy supporting Assessment, Evaluation and Reporting see KPR's website.

Trips and Transportation

It is the intention of the Kawartha Pine Ridge District School Board to provide the safest possible transportation in an efficient and economical manner. Bus transportation is a **privilege** and when students interfere with the safety and efficient travel of others on the bus, this privilege may be lost for a period of time whereby a bus report/phone call is sent home.

If you are experiencing difficulties with the expectations of the bus driver, the parent/guardian will be contacted. In the event of withdrawal of bus privileges, parents/guardians are responsible for transportation to and from school. Amongst behaviours which are not appropriate on a bus are getting out of seats while the bus is in motion, fighting, throwing articles in and out of the bus windows, obscene language, and not following the bus driver's instructions.

Bus students are assigned to a particular bus and the Board incurs the cost of insurance for those students. Bus students may NOT take friends onto the bus, or change buses to ride to a friend's.

From time to time, students take field trips. The same bus rules apply during these events. The cost of busing on trips is divided amongst all students participating, and cannot be avoided by parents/guardians providing their own transportation. Parent volunteers on field trips are expected to ride the provided transportation in order to assist with supervision and meet Ministry and Board established supervision ratios for out of classroom programs.

Inclement Weather

In the event of inclement weather, the Board does strive to keep all elementary and secondary schools open, even in the event of bus cancellations. Bus students not in attendance due to bus cancellation are not marked absent. Parents and students are urged to tune into local radio stations for possible bus cancellations or visit www.stsco.ca.

Emergency Procedures

The Pines has emergency procedures in place for both on-site and off-site emergencies. Fire drills are conducted six times and lockdowns twice throughout the school year. Please inquire at the office if you have any questions.

Lockdowns

Definitions:

Lockdown: used only when there is a major incident or threat of school violence within the school.

Hold and Secure: used when it is desirable to secure the school due to an ongoing situation outside of the school. In this situation, the school continues to function normally, with the exterior doors being locked until such time as the situation near the school is resolved.

Shelter in Place: used for an environmental or weather related situation, where it is necessary to keep all occupants within the school to protect them from an external situation (e.g., chemical spill, blackout, explosion, extreme weather).

School Lockdown Procedures:

Upon hearing the School Lockdown announcement "This school is now in lockdown", staff will immediately initiate lockdown procedures. During lockdown procedures, occupants will disregard the fire alarm system and school bells unless otherwise informed. School lockdown is in effect until cancelled by Police. It is possible that during a drill, the Principal or designate will release occupants from the Lockdown. Cell phones and personal devices are not permitted during lockdowns and lockdown drills. To assist emergency services in managing any given situation, please do not attempt to contact your child.

Internet Access

Students at The Pines have teacher supervised Internet access with parent permission. Internet forms are sent home early in the 1st term for signature. The Pines is wi-fi accessible.

Messages and Office Telephone

The use of the office phone will be limited to student use for school related changes in plans (i.e. co-curricular activities, detentions, extra help). The school phone is not available for making changes in social plans.

Parent Note: Please talk with your children and review family plans for the day; for example, appointments, pick-up after school, and other special arrangements. Changes in your child's regular routines can be communicated to the teacher with an email to the teacher or the office.

Calls should be of an emergency nature only.

SCHOOL CODE OF CONDUCT:

Rationale: Everyone has the right to be safe and to feel safe, welcome and included at school.

Responsibilities

- Safety is everyone's responsibility.
- Everyone in our school community is responsible for promoting safe, caring relationships that respect human dignity.
- Everyone is responsible for preventing harm.
- Students, staff, volunteers, parents and guardians have additional responsibilities unique to their roles.

Standards of Behaviour

- We value one another and treat each other with respect and dignity.
- We educate our students to be caring, responsible community members who protect everyone's physical, social, academic and emotional well-being.
- Bullying and harassment in any form are wrong and hurtful. Bullying is aggressive and typically repeated behaviour that is intended to cause harm, fear or a negative environment for another individual. Bullying is an abuse of power, authority or control over another person or group. It is never acceptable.
- Everyone has a role to play as we work together to prevent, identify and respond to bullying and exclusion. We all are accountable for our actions.
- Where bullying does occur, we respond in a manner that is fair and appropriate, to build relationships that are respectful. Restorative practice is one strategy we use to prevent, and repair the harm caused by, bullying and exclusion.
- We also use progressive discipline to prevent and respond to behaviour that violates this Code of Conduct. Consequences for unacceptable behaviour may range from warnings, to suspension or expulsion.

1. School Code of Conduct

The Kawartha Pine Ridge District School Board (KPR) believes everybody has the right to be safe, and to feel safe, welcome and included, in the school community. This School Code of Conduct reflects the guiding principles of the Board's Safe, Caring and Restorative Schools Policy and the Ontario Code of Conduct. It supports a common understanding for safe learning and working environments, where everyone is treated with respect, fairness and dignity. It also helps to prevent bullying in schools. The School Code of Conduct applies to students while they are at school, engaged in a school-related activity, or in other

circumstances where the activity affects the school climate.

2. School Code of Conduct Responsibilities

2.1 Common School Community Member Responsibilities

- Safety is everyone's responsibility.
- Everyone in our school community is responsible for promoting safe, caring relationships that respect human dignity.
- Everyone is responsible for preventing harm.
- Students, staff, parents and guardians have additional responsibilities unique to their roles.

2.2 Additional Student Responsibilities

- exercise self-discipline, follow the established rules and accept responsibility for their actions, based on age and individual ability
- come to school prepared, on time, ready to learn and support a positive learning environment
- show respect for themselves, for others and for those in authority
- refrain from bringing anything to school that may compromise safety, inclusion or respect for the dignity of another member of the school community.
- use personal mobile devices during instructional time **only** under the following circumstances:
 - for educational purposes, as directed by an educator
 - for health and medical purposes to support special education needs.

2.3 Additional Staff Responsibilities

- help students achieve their full potential and develop their self-worth
- assess, evaluate and report student progress
- communicate regularly and meaningfully with students, parents or guardians
- discipline fairly and consistently, taking any mitigating factors into account, as required by school board regulations on Discipline/Promoting Positive Student Behaviour/Code of Conduct, and the School Code of Conduct
- be on time and prepared for all classes and school activities
- prepare students for the full responsibilities of membership in their community/society
- safeguard students from persons or conditions that interfere with the learning process

- understand and minimize any biases that may affect student-teacher relationships.

2.4 Additional Parent/Guardian Responsibilities

- attend to their child's physical, social, academic and emotional well-being
- show an active interest in their child's school work and actively support student progress
- communicate regularly with the school
- help their child be neat, clean, appropriately dressed and prepared for school
- ensure their child attends school regularly, is on time, and gets to and from the school or bus stop safely
- promptly report to the school their child's absence or late arrival
- become familiar with the Code of Conduct and school rules
- encourage and assist their child in following the rules of behaviour
- assist school staff in dealing with disciplinary issues for their child.

3. Standards of Behaviour

3.1 Respect, Dignity, Civility, Equality and Responsible Participation in School Life

We value one another and treat each other with respect and dignity. We educate our students to be caring, responsible community members who protect everyone's physical, social, academic and emotional well-being. Everyone in the school community must:

- respect differences among people, their ideas, opinions, experiences and perspectives
- treat one another with dignity at all times, especially when they disagree
- respect and treat everyone fairly, regardless of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status, disability or language
- respect and comply with federal, provincial and municipal laws
- demonstrate the character attributes set out by the school board
- respect the rights of individuals and groups
- show proper care and regard for school and student property
- take appropriate measures to help one another
- address behaviours that are disrespectful, unwelcoming or that exclude anyone
- use non-violent means to resolve conflict
- dress appropriately with regard to exposure, cleanliness and message
- respect persons who are in a position of authority
- respect the common goal to work in a positive environment of learning and teaching.

3.2 Physical and Emotional (Psychological) Safety

To protect the physical and psychological safety of everyone at school, we will not tolerate:

Weapons

- possession of any weapon or replica weapon, such as firearms
- use of any object or means to threaten or intimidate another person
- causing injury to any person with an object

Alcohol and Drugs

- possessing, being under the influence of, or providing others with, alcohol or restricted drugs

Physical Aggression

- inflicting or encouraging others to inflict bodily harm on another person
- intimidation

Non-physical Aggression

- emotional, sexual, homophobic, racist, sexist, faith-based, ability-based or social status-based actions that hurt an individual or group, whether intentional or not
- threatening physical harm, bullying or harassing others
- using any form of discrimination, stereotype, prejudice, harassment, hate/bias-motivated act.

Further to these standards of behaviour, all school members are expected to seek staff assistance, if necessary, to resolve conflict peacefully.

Bullying and harassment in any form are wrong and hurtful. Everyone has a role to play as we work together to prevent, identify and respond to bullying and exclusion. We all are accountable for our actions. Where bullying does occur, we respond fairly and appropriately, to build respectful relationships. Restorative practice is one strategy we use to prevent, and repair the harm caused by, bullying and exclusion.

Bullying, by definition: is aggressive and typically repeated behaviour by a pupil where:

- the behaviour is intended by the pupil to have the effect of, or the pupil ought to know that the behaviour would be likely to have the effect of:
- causing harm, fear, or distress to another individual, including physical, psychological, social or academic harm to the individual person's reputation or harm to the individual's property; or

- creating a negative environment at a school for another individual
- the behaviour occurs in a context where there is a real or perceived power imbalance between the pupil and the individual based on factors such as size, strength, age, intelligence, peer group power, economic status, social status, religion, ethnic origin, sexual orientation, family circumstances, gender, gender identity, gender expression, race, disability or the receipt of special education.
- the behaviour includes the use of any physical, verbal, electronic, written or other means.

Cyber-bullying includes bullying by electronic means, including:

- creating a web page or blog in which the creator assumes the identity of another person
- impersonating another person as the author of content or messages posted on the Internet
- communicating inappropriate material electronically to more than one individual, or posting material on a website that may be accessed by one or more individuals.

Bullying, in any form, has negative effects on:

- a student's ability to learn
- healthy relationships and the school climate
- a school's ability to educate its students.

We **will not accept bullying** on school property, at school-related activities, on school buses, or in any another circumstances (e.g., online) where bullying has a negative effect on school climate.

4. School Code of Conduct Rules

- Students must be allowed to learn.
- Teachers must be allowed to teach.

The following behaviours are **not acceptable** for anyone in the school community:

- physical, verbal, electronic, written or other means of sexual or psychological abuse (e.g., sarcasm, ridicule, humiliation)
- assault
- bullying
- actions motivated by hate, bias or discrimination (e.g., on grounds of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status or disability).
- damage to property in the school environment (including school grounds, buses, trips.)

The principal may apply these rules when the pupil's conduct outside school negatively impacts the school.

5. School Code of Conduct Procedures

5.1 Search and Seizure

In alignment with our *Police/School Board Protocol*, school authorities have the right to search student school and personal property (such as, but not limited to; lockers, desks, purses, backpacks, pockets etc.) without permission and without prior notice. This would normally only occur when the person in authority felt there were reasonable grounds for suspicion that the student had something in their possession that was either stolen or posed a possible risk of harm to others at the school (example; drugs, a weapon etc.) Police may be contacted if the search reveals such an item.

5.2 Signage

- Signs will be posted directing visitors to begin their visit at the office.

6. Strategies to Promote Positive Student Behaviour

6.1 Prevention Strategies

The Pines and the KPR Board promote academic excellence through the character attributes of respect, responsibility, honesty, integrity, empathy, fairness, initiative, perseverance, courage and optimism, to enable all students to reach their full potential. Schools also use restorative practice, an approach that manages conflict by repairing harm and strengthening relationships. It holds the individuals causing harm accountable for their actions, and it allows everyone – the person harmed, the person causing harm and others affected – to express the harm that was caused and any resulting needs. Restorative practice allows reparation (“making it right”), healing and reintegration, while preventing future harm. It may include responses ranging from informal conversations or meetings, to formal restorative conferences.

In addition, the Board's Code of Conduct sets clear standards of behaviour that are firm and fair. These standards apply to everyone in the school system – students, parents, guardians, volunteers, employees – whether on school property, on school buses, at school-related events or activities, or in other circumstances that could affect school climate.

Prevention strategies are designed to:

- establish a positive school climate
- maintain effective classroom management and discipline
- encourage, reinforce and reward positive behaviour
- promote social skills development
- provide information regarding anger management programs
- use peer counselling and conflict resolution
- use effective, respectful home-school communication.

6.2 Supportive Intervention Strategies use:

- “teachable moments” (using a current situation or news story to teach students a valuable skill or lesson)
- verbal reminders, redirection and reinforcement
- interviews, discussion and active listening
- offering positive choices to support positive behaviour/citizenship
- problem solving techniques including restorative practices
- contracts for expected behaviour
- appropriate outside agency support
- school/Board/community resources
- understanding of individual and group interactions and power imbalances within society
- learning and information-sharing to better understand people and situations.

6.3 Community Threat Assessment Protocol

The KPR school board also has a Community Threat Assessment Protocol (CTAP) in place with many local agencies and police services. When student behaviours pose a potential threat to safety or risk of serious harm, the CTAP helps principals take immediate steps to protect student well-being and respond to threatening incidents. Please speak with the principal for further information on this protocol.

7. Consequences for Unacceptable Behaviour

Consequences for unacceptable behaviour are appropriate to the individual, circumstances and actions. Schools use progressive discipline, with a range of responses, supports and restorative practices that promote positive behaviour and inclusive school cultures. Consequences are firm, fair, clear and appropriate to the student’s age and development. They include learning opportunities, to reinforce positive behaviours and help students make good choices. For students with special education needs, consequences and supports are consistent with the student’s Individual Education Plan (IEP). The Board, principals and vice-principals consider all mitigating and other factors, as required by legislation. Progressive discipline and restorative approaches are outlined in detail in the Safe, Caring and Restorative Schools Manual for administrators.

7.1 Consequences may include one or more of the following:

- warnings
- time-outs
- time-owed
- restricted privileges
- apology
- restitution (e.g., paying for damage, doing community service)
- suspension
- expulsion.

7.2 The Principal, or their designate, **will consider suspending** a student if they believe that the pupil has participated in any of the following infractions:

- Uttering a threat to inflict serious bodily harm on another person.
- Possessing alcohol or illegal drugs.
- Being under the influence of alcohol.
- Swearing at a teacher or at another person in a position of authority.
- Committing an act of vandalism that causes extensive damage to school property at the pupil’s school or to property located on the premises of the pupil’s school.
- Bullying

Bullying, by definition, is aggressive and typically repeated behaviour by a pupil where:

- *the behaviour is intended by the pupil to have the effect of, or the pupil ought to know that the behaviour would be likely to have the effect of causing harm, fear, or distress to another individual including physical, psychological, social or academic harm to the individual person’s reputation or harm to the individual’s property, or creating a negative environment at a school for another individual.*
- *the behaviour occurs in a context where there is a real or perceived power imbalance between the pupil and the individual based on factors such as size, strength, age, intelligence, peer group power, economic status, social status, religion, ethnic origin, sexual orientation, family circumstances, gender, gender identity, gender expression, race, disability, or the receipt of special education.*
- *Behaviour includes the use of any physical, verbal, electronic, written or other means.*

Cyber-bullying includes bullying by electronic means including:

- *creating a web page or blog in which the creator assumes the identity of another person,*
- *impersonating another person as the author of content or messages posted on the internet, and*
- *communicating inappropriate material electronically to more than one individual or posting material on a website that may be accessed by one or more individuals.*
- *bullying adversely affects a student’s ability to learn.*
- *bullying adversely affects healthy relationships and the school climate.*
- *bullying adversely affects a school’s ability to educate its students.*
- *bullying will not be accepted on school property, at school related activities, on school buses, or in any other circumstances(e.g. on-line) where engaging in bullying will have a negative impact on the school climate.*

- Persistent opposition to authority.
- Habitual neglect of duty.
- The willful destruction of school or Board property.
- The use of profane or improper language.
- Conduct injurious to the moral tone of the school or to the physical or emotional well-being of self or others in the school.
- Being involved in a physical altercation.
- Inappropriate physical contact.
- Failing to complete medical immunizations as required by the Public Health Department.

7.3 As required by law, a student **shall be suspended and considered for expulsion** on the following grounds:

- Possessing a weapon, including possessing a firearm.
- Using a weapon to cause or to threaten bodily harm to another person.
- Committing physical assault on another person that causes bodily harm requiring treatment by a medical practitioner.
- Committing sexual assault.
- Trafficking in weapons or in illegal drugs.
- Committing robbery.
- Giving alcohol to a minor.
- Bullying, if:
 - the pupil has previously been suspended for engaging in bullying, and
 - the pupil's continued presence in the school creates an unacceptable risk to the safety of another person.
- Any incident including bullying, that is motivated by bias, prejudice or hate based on race, national or ethnic origin, language, colour, religion, sex, age, mental or physical disability, sexual orientation, gender identity, gender expression, or any similar factor (e.g. socio-economic status, appearance).

7.4 In accordance with provincial directives, a student **may be suspended, and expulsion may be considered**, if:

- the pupil commits an infraction in the school community, which has an adverse effect on the school
- the pupil's pattern of behaviour is so "refractory" (unmanageable) that the pupil's presence is harmful to the learning environment
- the pupil has taken part in activities that:
 - cause the pupil's presence to be harmful to the physical or emotional well-being of others in the school
 - cause extensive damage to property at the school or to property located on the premises of the pupil's school

- the pupil's pattern of behaviour has shown the pupil has not prospered by the instruction available, and the pupil persistently resists changing their behaviour.

Where illegal activities – including those noted above – take place, schools also involve their local police service. The School Board – Police Protocol guides police involvement in schools.

Behavioural Consequences

Consequences shall be appropriate to the individual, related to the circumstances and/or actions and progressive when appropriate.

The Pines staff strive to provide a **consistent** approach to misdemeanors taking individual differences into consideration. Occasionally, a student may misbehave and not abide by his/her responsibilities. When this occurs, students need to experience effective discipline; one that clearly demonstrates to students that logical consequences follow inappropriate behaviour. In the regard, students need to:

- know they have done wrong;
- take responsibility for their actions;
- solve the problem and accept the consequences;
- have their dignity left intact.

When logical consequences are applied, individuals are better able to take responsibility for their actions and problems are resolved.

Inappropriate behaviour can be categorized as minor or major. Minor events are usually dealt with immediately by the adult involved, usually the teacher. Logical consequences are generally related directly to the problem. For example, time-out on the yard may result from playing too roughly. When minor offences continue, at times parents are contacted to assist the school with a resolution.

Major incidents are another matter. The action taken is determined by the seriousness of the problem. At the most extreme is suspension/expulsion from school. Major events range from deliberate serious bodily harm to another individual, perpetual absence from school, persistent noncompliance to authority, and deliberate noncompliance with the behavioural expectations of the school.

Consequences may include, but are not limited to the following:

- verbal discussion
- restorative practice
- warnings
- time-outs
- time owed
- restricted privileges
- restitution (e.g., financial, community service)
- suspension
- expulsion
